Course Cost	£229 which includes a learning DVD	
Course Length	At your own pace and in your own time, however you will have tutor support via email for 3 months.	
Minimum & maximum number of students	Unlimited	

What does the course cover?

This course teaches you how to carry what's known as the 'small treatments'. However these treatments are a very important part of any Salon business and can generate a good profit for a low outlay. The course involves learning about 4 different techniques such as how to tint eyelashes and eyebrows, shape the brows and perm the eyelashes.

- Structure of hair
- Colouring characteristics of hair
- Eyebrow shapes and correct positioning
- Cleansing of the area
- Skin (patch) testing for allergies
- Positive and negative patch test results
- Eyelash tinting
- Eyebrow shaping
- Eyebrow tinting
- Eyelash perming
- Choosing correct size of rollers
- Application of products
- Eyelash tinting after perm application
- Troubleshooting
- Preparation and application
- Choosing colours
- Difference in application times
- Client consultation & home-care/aftercare advice
- Contra-indications & contra-actions
- Health, safety and hygiene
- Price structure
- Sales and promotion of treatment

What does the student need to know before starting the course? (e.g. qualifications and/or experience)

No previous experience required but it is advised that you have a good general standard of education

How will the course be taught?

- Downloadable training manuals for knowledge and understanding
- Online induction/virtual classroom
- Email contact with your tutor for a period of 3 months
- Home study for tasks and assignments

How will the course be assessed?

When you have completed your assignments and tasks in your training manual you post it to us at Head Office and we will moderate it in order to assess your knowledge and understanding. On successful completion we will issue you with your certificate. If you wish for your training manuals to be returned to you please enclose an SAE, otherwise take a photocopy of your work.

What are the learning outcomes?

1. Prepare work area and client for treatment
2. Carry out consultation procedures
3. Complete eyebrow shaping treatments
4. Complete lash and brow tinting treatments
5. Complete lash perming treatments
6. Provide aftercare and homecare advice

What products, equipment etc are required to attend the course?

Products and equipment are not essential to pass this course, however if you wish to practise your skills on friends and family you will need a basic equipment list which we can give you.

Is a model required or provided?

Only willing friends and family!

Is the course accredited? If yes, who by?

Yes, you will be awarded the **Vocation Online Certificate in Eye Treatments**

Will I be able to get insurance and work in a salon?

You will not be able to get insurance until you have attended a practical training session. This course is the stepping stone to a career in Beauty, try it first before you commit to an attendance based course which will require you to carry out practical assessments and exams.

What is the cancellation policy?

We have a cooling off period of 7 days in case you change your mind about continuing with the course. You are entitled to a full refund of your course fees during this time.
